
ATTN Writers and Contributors

We need original content! Please do not copy a portion of the article and post a link with those exact words to the site. I know I have been an offender too...

We all need to be very careful on what we are putting in and make it original words. Make your comment in the "Brief Description:" area when you post the article.

Write On!

Also we are always looking for people to write and submit offsite links. All writers and contributors are welcome.

Ask any questions here.

:woohoo: Alright, I am a writer, not usually Music, but know my Clasic Rock and 80's rock. Tell me what you want, where you want it, and what you want it to be about, and I can do it. I don't need to plagerize, Its all up in the pretty lil brain of mine. You have my email and my user name etc...

I know some bands better than others, know most areas of music. But still not sure what your looking for as far as word count, type of writing style, etc. You give me a hint, and ill push it out for you. Just give me the direction you want to go in, and Ill go. I Can see you really lack music and women... Like the pioneers, like Stevie Knicks, Heart, Pat Benatar, Janis Jophlin ET ALL.

Throw me a crumb, and you will get an article, some from my knowledge of music, some slightly researched.

Thanks
Chris
