Holy Shit!! LMAO!! This quiz is sick and demented..... I do not have fantasies about killing people, or puppies, or making art with guts. I can't even complete this quiz without telling lies. I have come to the conclusion that I am not a death metal band at all!! :blink:

What a load of rubbish!! Good fun though :laugh:
I got Slipknot and they aren't nowhere near to a death metal band.

Not quite as sick as most it seems.

Severed Saviour. http://www.braingell.com/components/com_joomlaboard/uploaded/images/images.jpeg
