
Permanent Thursday Slot Available

Posted by berube - 2008/01/02 09:21

Well in my effort to avoid music over the last month, somehow I ended up joining a band... I still don't fully understand how it happened.... Anyway, because of this I will not be able to do my Thursday nights anymore. So if someone out there has been itching to get that slot (yeah right), feel free to go into the DJ Schedule and take it over. See ya'll on Saturdays and Tuesdays!

btw... to all ya'll who came and partied with me last night for my "return", thanx a ton! I had a blast! As a matter of fact I am writing this at 9am the next day and I still seem drunk. I honestly don't think I would pass a cops sobriety test atm... Craaaaaaaaaaaaaaaaaaaaaazy! :S

I think we've found that new sound we've all been itching for on Braingell Unsigned. Berube, you rocking with those damn vocal cords you got there?

sorry dudes... its a bar/cover band... the hardest song on the list is "livin after midnight"... but i could always give you my old band S.A.S., that you could use on bgr.

being in a startup metal band at my age would be strictly for ego and the 4 people who would show up at a gig...

im in a cover band for the drunk chicks. wurd. lol!

and sorry, ins... im the drummer.

Kickass man. I definately have to hear some of your old stuff and possibly an insane drum solo? I guess now i actually have to tune into your show for the whole thing without being disgusted by room topics and comments enough to leave.

lol. my old stuff i was either a guitarist or bass player... this is my first drum gig in a band. solo? pfft... not this old man!

and as far as tuning in and not being in chat.. bah. dont do that cause everything i discuss ON the show usually comes directly FROM chat. screw the chat ppl who get on your nerves... u can ignore or fuck with em! its all part of the Stew Experience!
